How do you become a world-class consultant? This is the question on the minds of thousands of young consultants as they graduate from the classrooms of the world's business schools to the offices of top consulting firms. Yet, few of them have been formally trained on the concepts that elevate consultants to the top of their field. Drawing on his experience as a senior partner at a multi ...

[A Guide to Art Agents and Consultants - Art Business Info...](#)

The traditional consulting business model is based on two principle ideas: (1) hiring people (top talent if possible) and (2) charging clients a fee per hour or day for gaining access to this talent, its expertise and/or manpower. Depending on the type of consulting or the brand, the pendulum swings more towards focusing on providing, and buying on the customer side, the more sophisticated ...

That person might also be an art consultant. At times, art consultants are gallery owners and even museum curators who advise individuals and companies in the area of decorating or building a collection on the side. Those who are free agents, only serving the interests of their clients, generally don't have galleries and or represent particular artworks or artists; rather, they tend to work ...
