The Culture Clash by Jean Donaldson. This is one of the best introductions to positive-reinforcement training out there. It's a slim volume, but one jam-packed with insight into how dogs think (Can I eat it? Can I pee on it? What's in it for me?) and how to communicate in order to change their behavior from the undesirable to the desirable. Included in the book are a number of exercises on ...

Respected dog trainer and author Jean Donaldson, explains in her book "The Culture Clash," that this brief "window of time" is there so young pups have the chance to become better acclimated (the correct term is habituate) to sights, sounds and experiences within their surroundings. It is meant to be there so animals aren't spooked by harmless stimuli such as the trees, rocks, and birds ...
